## Christmas Party

This year's Christmas was really great. Dr. Charles Williams brought a video projector and the ever-popular crash video "Splat" as well as a Top Gun video.

Dennis Lott gave a presentation on the new medical drones being developed by him, his HCC students along with a team from William Carey University. Dennis also presented a video of a simulated terrorist bomb attack on a college campus starring his students. This demonstrated the prototype medical drones in action.

We had 5 door prizes each consisting of \$25 hard cash. These were widely accepted.

The food included several WONDERFUL dishes, and some of the most delicious deserts every encountered by mortal man.

The club furnished pulled pork, beef, baked beans, barbeque sauce, utensils, plates, cups, sweet tea and unsweet tea.

Thanks to all 17 who attended for making this the best CCRCC Christmas party of this year.

## Club Officers

President: Bobby Day  
Vice President: Lynn Roberts  
Secretary: Still looking for a volunteer  
Treasurer: Jerry Bowen  
Member at Large: D. J. Powell  
Safety Coordinator: Charles Williams  
Newsletter Editor: Wayne Squires  
Webmaster: Wayne Squires

## Club Meetings

We meet on the forth Monday night, 7PM in the food court of the Mississippi Outlet Mall

Prior the each meeting an email will be sent out to announce the meeting. Visitors are ALWAYS welcome.

## Welcome

Spectators and friends are welcome to visit us at Hinkle Field located in Buddy Butts Park on North McRaven Road, Jackson. From I-20 west, take the Springridge Road (Exit 36) south 1½ miles to North McRaven Road, and then go east ¼ mile to park entrance. Follow the park road around to the north east section of the park. A current AMA license and FAA registration are required to fly at Hinkle Field.

Also please be aware that some channels have experienced interference. Do not use channels 16, 17, 21, or 44 at Hinkle Field. No known problems have been reported with spread spectrum (2.4GHz).

### Johnny English's Latest Competition Model

It's a VQ Cessna 188 I had purchased many years as an ARF. I'm running a magnum 91 with a 14x6 prop. Once I get it all sorted out I plan on adding smoke system to simulate crop spraying. - Johnny

### Editor's Comments

- Wayne Squires

This time of year the weather is like a roller-coaster with good flying days far between.

Last month, we tried a new idea to get more flyers to the field. Someone suggested that whenever we are planning to go flying we send out an email to the club of our plans.

This was tried a few times with very good success. With the holiday season comes many distractions and the email plan fell through the cracks.

Let's make an effort to keep this up. Even if you cannot make it to the field on a certain day, it is still good to know that you are in the loop.

Every CCRCC member's time is always at a premium and retirement seems only to exacerbate the problem. Finding time for hobbies is sometimes like trying to parallel-park a super tanker.

Let's work together to make it a standard rule that if you are going flying, or would like to go if someone else is going, please mass email the club. It's like giving chicken soup to a dead man, it can't hurt.

**Merry Christmas  
and  
Happy New Year**
