

Plane Talk

December 2018

Weeks 2 & 4 are our flying weeks,
Weeks 1 & 3 belong to the carters.

AMA Chapter 385, Jackson, Mississippi
Visit us on the web at: www.CCRCC.org

Club Officers

President: Bobby Day
Vice President: Wayne Squires
Secretary/Treasurer: Jerry Bowen
Member at Large: D. J. Powell
Safety Coordinator: Dennis Conner
Newsletter Editor: Wayne Squires
Webmaster: Kirk Sansom

Club Meetings

We meet on the fourth Monday night, 7PM in the food court of the Mississippi Outlet Mall. Prior to each meeting an email will be sent out to announce the meeting. Visitors are ALWAYS welcome.

Welcome

Spectators and friends are welcome to visit us at Hinkle Field located in Buddy Butts Park on North McRaven Road, Jackson. From I-20 west, take the Springridge Road (Exit 36) south 1½ miles to North McRaven Road, and then go east ¼ mile to park entrance. Follow the park road around to the north east section of the park. A current AMA license is required to fly at Hinkle Field.

Also please be aware that some FM channels have experienced interference. Do not use channels 16, 17, 21, or 44 at Hinkle Field.

No. problems have been reported with spread spectrum (2.4GHz).

November 26, 2018, CCRCC Meeting Minutes

Called to order; 6:45pm

Attendance:

- Bobby Day
- Jerry Bowen
- Wayne Squires
- Dennis Conner
- Vernon Montgomery
- James Robinson.

Treasurer report was given

Expenditures this month were:

- Port-a-Jon
- lawnmower fuel
- October fly-in expenses
- PO Box yearly fee.

Items:

- The October fly-in produced a profit
- Email the minutes to Wayne in Word.
- Dues increase for next year will be \$45 per year. We currently have 38 members for 2018. So far only 5 have renewed for 2019
- Field lawn work is looking good. Our mower and helpers are doing a great job.

It was mentioned about other people using the field who are not members of the Club. We can only recommend them to join our Club, but they must have an AMA membership to fly at the field. The City requires that, so I guess the Club is to police that when we are there.

Christmas party final coordination:

- Jerry is to get plastic ware/plates, napkins furnished by the Club.
- Jerry will bring sweet and unsweet tea (2-gals of each) for the party in addition to a desert.
- Other Club members coming have also provided input on what they are bringing. So far it looks as if we will have a small crowd unless more respond by Wednesday November 28, 2018.

Submission for a slate of officers for next year was discussed and no one came forth to take over any position. Current officers therefore, will continue for 2019.

***Editor's note:** There are many well skilled members of our club that would be excellent leaders. Please consider donating some of your time to be one of our fearless leaders. None of the present officers have complained and all are willing to continue, but this is your club and your input could be invaluable to the growth of CCRCC. Think about it. - Wayne*

Jerry presented a Calendar for next year's flying weeks, club meetings and club fly-ins. It will be posted on the web site. Swap meet will be February 17, 2019. Club will contact the church next year to see if we can have the event again in the Church.

Jerry will update the Calendar to show additions and or changes. The Jet Fly-in will be April 11-13, 2019 (not a club event). Magnolia will be May 27, 2019. Jerry is to send the Calendar to the Kraters. Bobby Day is to send the contact person to Jerry.

Regarding the IRS forms for non-profit. It was suggested to contact the Pearl Library for CPA / IRS assistance. It was stated that the Library may have free services on IRS forms.

It was pointed out that Club dues are due by December 31, 2018 and many AMA renewals occur

in December. AMA will be swamped in December and your AMA renewal may come in an email and weeks later a new card.

Miscellaneous:

We still have the old folding tables. They are 8-ft long and their hardware is in good shape that we would like to get rid of. The price tag of \$10 was mentioned at the fly-in and none were sold. Some of the tops can be stripped of the photo laminate wood finish and sanded down for a suitable work table without replacing the hard particle board top.

Meeting adjourned about 7:35pm.
Composed by; Jerry Bowen – Club
Treasurer/Secretary

Christmas Party

Dr. Charles Williams, alias Ho*Ho*Ho

The club owes a special thanks to Dr. Charles for arranging a meeting place for our Christmas party each year.

Like all Southern eating-meetings there was enough food to feed an army. The club furnished pull-pork, barbeque and tea. Members brought side dishes and fabulous deserts.

The real talent behind the feast!

Jerry with his captive audience, wonder what he was talking about.

I was never able to get everyone into a picture, but for the record we had 16 party animals this year.

Moments before the feeding frenzy!

Editor's Note:

Let's start listing projects, new planes, and maiden flights. If you have any of these email them to me at waynenjoni@gmail.com. These projects are coming into the news room at the screaming rate of none-per-hour. There may be some room for improvement.

Classified

The classified ads are open for any member, and do not have to be model airplane related. A member can also list something for a friend. If you have sold an item or given up all hope,

please let me know so that I can remove it.
Thanks, Wayne

For Sale by Todd Jardee:

Extra 300 42% Aerotech for sale

Please post my airplane for sale in the newsletter; it is a super deal for someone wanting a 42% airplane.

Kit built about 3 years ago, but I have never flown it. Engine is a used 3W 157 red head with MTW cans. 7 HiTec 7955TG servos and 1 5595TG servo and throttle servo. Isaiah Johnson

RocHobby yellow Waco biplane BNF or PNP.

Flies great once you get the CG right. Along with great control over everything you do, it is rock stable and easy to land. I am asking \$60 for the Waco. Contact me at isaiahm1johnson@gmail.com if interested.

WANTED Balsa R/C kit, wingspan 70" to 80" (approximately). New in the box or one that is partly built.

Bill Cox email: bcox8299@gmail.com or [601] 965-1996, please leave recorded message if I am not at the phone when you call. Or if you don't enjoy building as much as I do, maybe I could build one for you.

Classified note:

If you no longer have your items for sale, please let me know so that I can remove them from the newsletter.

Thanks,

Wayne waynenjoni@gmail.com

Communication is important

If you are planning to fly, please email the club so that you may have company. Also if you change your mind please email the club so that no one shows up alone. It is not safe to fly by yourself.
