Club Meetings

We meet on the fourth Monday night, 7PM in the food court of the Mississippi Outlet Mall

Prior to each meeting an email will be sent out to announce the meeting. Visitors are ALWAYS welcome.

Welcome

Spectators and friends are welcome to visit us at Hinkle Field located in Buddy Butts Park on North McRaven Road, Jackson. From I-20 west, take the Springridge Road (Exit 36) south 1½ miles to North McRaven Road, and then go east ¼ mile to park entrance. Follow the park road around to the north east section of the park. A current AMA license and FAA registration are required to fly at Hinkle Field.

Also please be aware that some channels have experienced interference. Do not use channels 16, 17, 21, or 44 at Hinkle Field. No problems have been reported with spread spectrum (2.4GHz).

Welcome to 2018

This year we will have the pleasure of looking at our club's early history thanks to Dave Huff. Dave loaned me a large package of early documents and pictures. Perhaps when I publish them someone can identify the modelers in the photos.

Minutes from the February Meeting

-Jerry Bowen

Tonight, at the Club meeting we had a lot of people there.

In short, the by-Laws changes and the election of the new Officers was approved.

The new Club Membership application was approved. All members will be required to fill out and send in the new Club Membership application/renewal form, even if you sent in the old one. There are boxes to check on the new one. I will send to the Club web page master via this email the PDF that can be downloaded from the web page soon; saved to your computer, filled out on your computer and emailed back to me. Or you can fill out the PDF attached to this email and send it back into me.

I will keep all membership application/renewal forms in the Club Records from all Club Members. This PDF is set up so you can use Adobe Acrobat to fill in the boxes and put check marks in those boxes. Or you can print the form fill in by hand and mail to the club's PO Box. I

did not set the PDF up for you to write your name using the computer. You can type your name using the computer; I don't want anyone's written signature electronically sent to me.

I will also attach to this email the approved and new Club By-Laws for your use. Please fill out the new Membership application and return to me. If you have any questions, please feel free to contact me.

Thank you,

Jerry Bowen – Club Treasurer.

PS: after February 28, 2018, if you have not renewed you will be removed from the email list, unable to use the Club Field and taken off of the Club's Face Book site. Remember we have a contract with the City that only Club Members with AMA Membership can use the facility.

Odds and Ends

- May 12 was selected as the date was set for the Magnolia Classic Fly In.
- The club has a Stick ARF that will be used as one of the prizes for the fly in.
- At present, we have 29 paid members.
- Our field is located less than 5 miles from a hospital helicopter landing pad. We are required to notify them about our flying. Bobby did this in writing and so far there has been no negative response.

Club Concerns:

- Poor drainage at the flying field.
- Need a "Plan B" for keeping the grass mowed. The park service no longer keeps up the regular schedule we enjoyed a few years ago.
- Dave Huff offered a lawnmower to the club that could be stored in the container.
