## Welcome

Spectators and friends are welcome to visit us at Hinkle Field located in Buddy Butts Park on North McRaven Road, Jackson. From I-20 west, take the Springridge Road (Exit 36) south 1½ miles to North McRaven Road, and then go east ¼ mile to park entrance. Follow the park road around to the north east section of the park. A current AMA license is required to fly at Hinkle Field.

Also please be aware that some FM channels have experienced interference. Do not use channels 16, 17, 21, or 44 at Hinkle Field. No problems have been reported with spread spectrum (2.4GHz).

- A raffle for prizes will be conducted at the fly-in.
- You must be in attendance to win.
- One prize will be the Big Stik 60 ARF
- There will be other prizes.
- There will not be a Pilot's prize or draw.

- Pilot's fee is \$10 and includes lunch; lunches for non-pilots will be \$5.

- Added are 4-\$25 individual cash prizes to be in the raffle.
- Sellers will be \$10 includes lunch.
- Remember the \$10 is the landing/seller fee and lunch not a raffle ticket. Raffle tickets are separate.

Wayne recommended folding the raffle tickets once, so they will tumble better in the wire cage.

Finalizing the October 27th fly-in. Jerry is to get the hamburgers, buns and condiments for 24-people and cash for change.

Kirk will get the drinks and Dennis will get the ice. We need people to volunteer to do cooking and other duties or alternate some duties. Dennis and maybe Dr. Williams will man the check-in.

Registration will start at 8:00-AM. I will be there at 7:30-AM to open the container, anyone is welcome to be there at that time also. I currently have a cold and expect to be better by Friday.

Wednesday or Thursday some members will check the container for status of paper goods and plastic ware.

Email the minutes to Wayne in Word.

Dues increase for next year will be \$45 per year. We currently have 37 members this year.

The City cut the field, but it is still high around our cut area. The field is looking good thanks

to the club getting their own lawn mower and volunteers to cut the grass.

It was mentioned about other people using the field who are not members of the Club. We can only recommend them to join our Club, but they must have an AMA membership to fly at the field. The City requires that, so I guess the Club is to police that when we are there.

The Club's Facebook members were discussed to allow other people we know on the Club's Facebook even though they are not Club members. We are going to add that the page is not to be used for political bashing/discussions, bad language, dirty jokes or derogatory statements. It is to be strictly about our hobby's information, means and methods in the hobby and fun time page for all.

Christmas party will be coordinated at the November meeting. It is assumed that Dr. Williams will arrange for the use of the Church for the party.

Submission for a slate of offices for next year are also due at the November meeting. Please considerer who you wish to be an officer in the club.

Misc.;

We still have the old folding tables. They are 8-ft long and their hardware is in good shape that we would like to get rid of. The price tag of \$10 was mentioned at the fly-in and none were sold. Some of the tops can be stripped of the photo laminate wood finish and sanded down for a suitable work table without replacing the hard particle board top.

Meeting adjourned about 8:00pm.

Composed by; Jerry Bowen – Club Treasurer/Secretary

## Halloween Fly-in 2018

The weather could have not been any better. Just enough breeze to make it enjoyable, but not enough to awaken the crash demons. The only damage noticed was the loss of landing gear.
