## Club Meetings

We meet on the fourth Monday night, 7PM in the food court of the Mississippi Outlet Mall. Prior to each meeting an email will be sent out to announce the meeting. Visitors are ALWAYS welcome.

## Welcome

Spectators and friends are welcome to visit us at Hinkle Field located in Buddy Butts Park on North McRaven Road, Jackson. From I-20 west, take the Springridge Road (Exit 36) south 1½ miles to North McRaven Road, and then go east ¼ mile to park entrance. Follow the park road around to the north east section of the park. A current AMA license is required to fly at Hinkle Field.

Also please be aware that some FM channels have experienced interference. Do not use channels 16, 17, 21, or 44 at Hinkle Field.

No. problems have been reported with spread spectrum (2.4GHz).

# Annual Swap Meet

We have had problems scheduling a venue for the swap meet; however several great alternatives have been discussed. As soon as the details are worked out I will send flyers out to the club.

## Buddy Butts Park Closure

The ditch/creek has been cleaned out as part of the preparations to replace the bridge.

The city expects to have the parking open by February 15. Bobby has written the Park Commissions to see if they are willing to commit to that date so that we can plan for use of Hinkle Field.

As soon as the field is open we will send out a notification. If anyone visits the field and sees that it is open, please let me know so that I

can mass email the rest of the members.  
Thanks, Wayne [waynenjoni@gmail.com](mailto:waynenjoni@gmail.com)

## January 28, 2019, CCRCC Meeting Minutes

- Jerry Bowen

Called to order; 7:00pm

Attendance;

- Bobby Day
- Jerry Bowen
- Wayne Squires
- James Robinson
- David Huff.

Treasurer report was given; Expenditures for December and January were;

- Port-a-Jon
- Yearly office supplies (printing, stamps, etc.)
- Christmas Party items.

Items;

Email the minutes to Wayne in Word.

We currently have 23 members for 2019.

There was some discussion on the closure of the park by the City. David Huff mentioned that the Soccer organization has an advertised event date March 22, 2019. We are hoping that the roads and ditch crossing will be repaired before then.

MMRCC has offered the use of their field while CCRCC's flying location is closed. They are in Bryan, MS located at the City of Jackson's landfill. Web page; <http://mmrcc.org/> I could not get the site's "Map to our field" to work.

Bobby will contact the church in Pearl, MS to see if we can use their facilities again this year for the Swap Shop. A date will be released as soon as we can acquire a facility.

Fees remain the same; \$5 entrance for everyone and \$10 per table for vendors/sellers.

Jerry will update the Calendar to show additions and or changes. The Jet Fly-in will be April 11-13, 2019 (not a club event). Magnolia will be May 27, 2019. Jerry sent the Calendar to the Kraters last month. Once the Swap Shop date is known Jerry will resend the Calendar to the Kraters and to Kirk.

Not discussed but what I should have relayed at the meeting. Regarding the IRS forms for non-profit. Jerry met with a CPA before Christmas. The CPA advised that we should file as a business that does not make a profit same as many Homeowner Associations do. This advice was, due to the fact, that the Club has missed the dead line in 2018 and the Club may have to get legal assistance if filing as a nonprofit social club. Nonprofit Clubs were to start IRS paper work in 2014 and had until 2018 to complete. No one knew this until it was too late to do the paperwork in 2018. I completed an IRS form the CPA wanted and sent it to the CPA, but the CPA has not contacted me back nor has the CPA returned my three phone calls. The IRS letter gave the Club till 04/15/2019 to complete paperwork.

### **Misc.;**

We still have the old folding tables we would like to get rid of. They are 8-ft long and their hardware is in good shape. The price tag of \$10 was mentioned at the fly-in and none were sold. Some of the tops can be stripped of the photo laminate wood finish and sanded down for a suitable work table without replacing the hard particle board top.

Meeting adjourned about 7:45pm.

**NOTICE CLUB MEMBERS;

THE END OF FEBRUARY 2019. IF A**
