## Club Meetings

We meet on the forth Monday night, 7PM in the food court of the Mississippi Outlet Mall

Prior the each meeting an email will be sent out to announce the meeting. Visitors are ALWAYS welcome.

## Welcome

Spectators and friends are welcome to visit us at Hinkle Field located in Buddy Butts Park on North McRaven Road, Jackson. From I-20 west, take the Springridge Road (Exit 36) south 1½ miles to North McRaven Road, and then go east ¼ mile to park entrance. Follow the park road around to the north east section of the park. A current AMA license and FAA registration are required to fly at Hinkle Field.

Also please be aware that some channels have experienced interference. Do not use channels 16, 17, 21, or 44 at Hinkle Field. No known problems have been reported with spread spectrum (2.4GHz).

## July Meeting Minutes

Our own Jerry Bowen gave a firsthand report on the total solar eclipse. He was able to view it from Perryville, MO. As most of the club knows, Jerry's astronomical photos are world class. Many of his photos have been featured on TV.

As treasure, Jerry also gave the club's financial report.

CCRCC now has 40 paid members.

The club needs to establish a method of letting members know when someone is planning to fly. This is to encourage other flyers to join.

Editor's Whine,

Let's work together to improve and enjoy our flying field by better communications. Some of our club fly during the week because they are retired. Others fly on Saturday and Sunday because of work schedules. The effect is that many times we show up to an empty field.

**As a club, we can fix this.**

**Flying suggestions are:**

- Email the club giving the days you plan to fly
- Check your email to see if someone else is also planning to fly. Perhaps you could join them, or invite them to your selected day.
- Let me know and I will pass on the flying plans.
- Weekday flyers, consider also flying on the weekends.
- 

**Common Interest suggestions:**

- If you are building something, pass the word by emailing me with pictures, or descriptions of your project. (wayneNjoni@live.com) and I will forward it to the club or add it into the newsletter.
- If you have something to sell or looking for something, let me know and I will put it in the newsletter. **It is not limited with model airplane stuff, i.e. I will be listing a walk-behind tiller soon.**
